

"Your Pre-Dive Safety Stop"

Maldives

Nov 29 – Dec 15, 2018

Join us for a special trip with sharks, mantas and whale sharks!

The Maldives offers an enormous playground for divers to explore hundreds of isolated and deserted islands. Between these islands, there are channels connecting the Indian Ocean to Lagoons. This water coming from the ocean is full of plankton and nutrients which attract incredible amounts of marine life. We will see eagle rays, napoleon wrasses, lots of pelagic fishes such as the Giant Trevally and the Barracuda, along with manta rays and perhaps a whale shark!

The aim is to find the white tip or gray reef shark and if we are lucky - hammerhead sharks! Inside the lagoon, the shallow water has a teeming fish life with myriads of reef fishes and bright, colorful coral gardens.

We will be staying aboard the Maldives Blue Force One. It is a custom built 42-meter-long, stunning live-a-board. The MV Blue Force One has 11 excellent cabins catering to 22 people, including 7 double cabins, 1 Junior Suite, 1 Master Cabin and 2 Master Suites. Each cabin has individually controlled air-conditioning, en-suite bathrooms and 32-inch TV with in-house movies. We will be diving from a dhoni boat allowing us to explore both the north and south atolls and gain access to otherwise hidden & inaccessible dive sites.

Trip Includes: Roundtrip airfare from MSP to Male', 14 nights' accommodations (double shared cabin) aboard the Maldives Blue Force One which include all meals, snacks, coffee, water and tea, 3 daily boat dives over 12 days with 4 night dives, tanks and weights, nitrox (for certified divers), and airport transfers to and from boat.
