

"Your Pre-Dive Safety Stop"

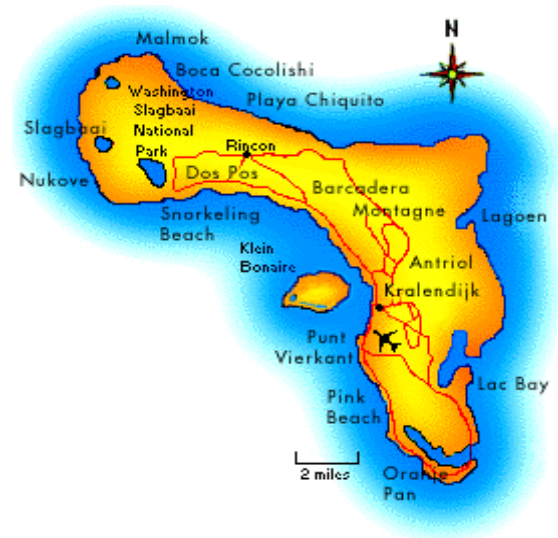

# Bonaire, Netherlands Antilles

## February 2 - 9, 2019

Join us for a week of spectacular diving!!

Bonaire's pristine reefs and diverse marine life are unique to the Caribbean. The waters around Bonaire are designated as an official marine park, diving Bonaire is like diving the Caribbean the way it used to be - untouched and unspoiled. The island's location in the south Caribbean gives it an arid climate with little rainfall; consequently, the waters are exceptionally clear of silt, calm, and diveable year round. It is definitely an ideal destination for underwater photographers! Water temperatures average a warm 78-84°F, with visibility often averaging over 100 feet, and frequently, up to 150 feet.

We will be staying at Captain Don's Habitat. This resort is an unhurried, unspoiled natural paradise offering spectacular sunsets, gentle breezes and crystal-clear, turquoise waters. Captain Don's is a resort where you can DIVE, DIVE, DIVE, take part in a multitude of other activities or just sit back, relax and enjoy the atmosphere.
