

"Your Pre-Dive Safety Stop"

Grand Turk, Turks and Caicos

January 30 – February 6, 2021

Experience some of the best wall diving in the Caribbean!!

Turks & Caicos, located approximately 575 miles southwest of Miami, is an unspoiled paradise of eight islands surrounded by miles of lush reefs and walls. We will be staying on Grand Turk, only seven miles long, one mile wide, and the wall starting just 300 yards from shore, this quaint island is the ideal location for a dive vacation. Most of the dive sites are on the west side of the island with the reef starting in just 30 feet of water. The reef gently

slopes until it reaches about 40 feet then dramatically drops to 7000 feet. Visibility averages 100 feet and the water temperature ranges from 82°-84° in the summer to 80° in the winter. We will be here during humpback whale season, so don't forget your cameras!

We will be staying at Bohio Resort located in the quiet Grand Turk town area, directly on the beach. The Bohio Resort offers plenty of seaside privacy yet is close to local restaurants.

Trip Includes: Roundtrip airfare from Minneapolis to Grand Turk including inter-island flights, 8 days - 7 nights accommodations, airport transfers, 10 boat dives, afternoon shore diving, breakfast, lunch and use of paddleboards, kayaks and Hobie cats.
