

"Your Pre-Dive Safety Stop"

Cuba, Gardens of the Queen

February 7-19, 2025

Join us for some of the most pristine diving in the Caribbean and tour Cuba!

Jardines de la Reina (Gardens of the Queen) is located 60 miles off the southeastern coast of Cuba. It is the largest marine reserve in the Caribbean with sharks, beautiful reefs, turtles, pelagics, caves, canyons and schools of fish. The abundant marine life and well-preserved coral reefs make Cuba a scuba divers paradise!

We will start our trip with an overnight stay in Miami*. From there we will fly into Camaguey or Havana and be transported to the *Jardines Aggressor II* liveaboard. We will be on this vessel for 8 days and 7 nights exploring the spectacular Gardens of the Queen National Park. During the week, Cuban specialists will host nightly discussions and presentations on the marine environment, conservation, and the importance of this magnificent ecosystem. After a week of diving, we will be transported to Havana and spend 5 days, 4 nights touring and learning about Cuba's history.

The OFAC (US Office of Foreign Assets Control) Regulations require that each U.S. citizen must have a full-time educational exchange program that results in a meaningful interaction for travelers and individuals in Cuba. The Oceans for Youth Foundation is registered and licensed to run these 'People-to-People' Cuba travel programs and they have contracted with Aggressor Adventures LLC to be the official reservation agency.

Trip Includes: Roundtrip airfare from MSP to Cuba, 6 days - 5 nights accommodations in Miami* and Havana (Grand Aston La Habana Hotel), all transfers, 7 nights in a deluxe cabin, up to 4 dives each day and 2 dives on Friday, all tours in Havana, most meals.

*Arrival city may change depending on airline schedule
